NAVSTA NEWPORT/LOCAL AREA RHODE ISLAND COORDINATOR NOTICE 5090

Subj: COMMANDING OFFICER'S ENVIRONMENTAL POLICY STATEMENT

Ref: (a) EO 13148, Greening the Government Through Leadership
in Environmental Management

1. Purpose. This policy statement is issued to reflect my commitment to environmental excellence, environmental compliance, pollution prevention and continual improvement of the environmental programs of the station to ensure we remain prudent stewards of the environment.
2. Policy. It is my policy to promote environmental stewardship. All military, civilian and contract personnel must perform their duties in a manner that prevents pollution, protects the environment and conserves natural resources.

NAVSTA Newport, through its Environmental Protection Storefront, shall make use of the following guiding principles to accomplish its mission:

 - Promote environmental awareness and ensure proper training at all levels in the command.
 - Improve neighborhood communication through management systems and procedures.
 - Effectively delineate roles and responsibilities.
 - Ensure environmental factors are fully considered at the outset and in all stages of planning and execution.
 - Continuously monitor compliance with Federal, State and local environmental laws, statutes, regulations as well as DoD and Navy policies.
3. Action. Addressees shall ensure that this policy statement is given the widest possible distribution in the work force and posted on official bulletin boards.
